Randy Zimmerman : Definition Scramble: Food Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised Definition Scramble: Food Edition:

Here's how it works: Each chapter has a series of definitions. In the blanks beneath the clue, you need to correctly give the word that the definition is describing. Once you answer ALL of the definitions outlined in the chapter, you will be given a short clue as to what the answer is. You need to bring a letter from each answer to the Chapter page and unscramble the letters to solve the answer to this chapter. Repeat this exercise with all the chapters. Once you have accumulated all of the CORRECT chapter answers, you will be given the final clue. You need to then unscramble all

of these letters from each chapter answer to solve the book. Each book has only one answer. Fortunately for you, every book has an answer key in the back if you should get completely stuck. The idea is to solve the book with as little help (cheating) from the answer key.

From the Author There are several Definition Scramble Books available. They were designed to offer an alternative to the usual word searches and crossword puzzles that are on the market today. It is important to keep those brain cells working! Definition Scramble books are being used in senior centers activities here in Wisconsin. A couple of chapters a week times 20 chapters per book (on average), makes for a great 2 months of entertainment. The seniors love the interaction plus it helps them keep sharp! Young or old, Definition Scramble is a fun way to pass the time. Pick a book up before you have a long flight. You will be at your destination before you know it! If you know someone that loves puzzles, give a book as a gift. Watch for more Editions to come! From the Back Cover" Through the latest market research, author Randy Zimmerman has developed a book of puzzles that is sure to please all. These puzzles will provide hours of fun that will challenge and broaden your mind. They will help keep your mind sharp while also expanding your vocabulary. Perfect for the expert puzzler and the novice, Definition Scramble is awaiting you. "About the Author Randy Zimmerman is from Milwaukee where he lives with his wife Judi. They have two grown sons and a grandson. Randy attended the University of Wisconsin for Journalism and later was trained to be an electrician in the Air Force. For years, he was an EMT on the local fire department along with Judi, and currently serves on the board of the Wisconsin Chapter of the American Liver Foundation.
