One of my first games and I don't have a lot of time for it, so a good guide to help me with where everything is located and how to defeat opponents, written clearly so even a new gamer can understand, was a huge help. Totally reccommend picking this up with the game!0 of 0 people found the following review helpful. Although the game is over it can be fun to relive the adventureBy Panther PageAlthough the game is over it can be fun to relive the adventure. This will also help complete your game and find things you could have missed. makes a great gift.0 of 0 people found the following review helpful. great gameBy Rondogreat game

BradyGames' Devil May Cry 3 Official Strategy Guide includes the following: **COMPREHENSIVE WALKTHROUGH**: Each mission starts with a recommended Style and equipment selection. Once the action starts, maps show you the way through each area.
