**John Waters : Diablo (Value Series): Prima's Official Strategy Guide** before purchasing it in order to gage whether or not it would be worth my time, and all praised Diablo (Value Series): Prima's Official Strategy Guide:

10 of 13 people found the following review helpful. An almost essential guide to "Diablo" on the PlaystationBy Beau Yarbrough"Diablo" isn't brain surgery, but as an import from computer games to Playstation, there's a fair amount about the game that doesn't mesh with Playstation logic. The game is also the first computer game-style RPG (as opposed to the category of games console gamers call RPGs), and this manual serves as an excellent guide to the game.The book details each of the three classes, gives advice on strategies, has write-ups on all the equipment, lists and explains the magical suffixes and prefixes, gives a complete shrine list, goes into detail on the spells, gives stats and strategy for each of the many monsters and describes the quests (broken down into the random "minor" quests and the required "major" quests).The few surprises in the game can be spoiled by this book, although they're really not what "Diablo" is about, really -- and the fun of smacking around the monsters in the dungeons beneath Tristram is undiminished.The book also provides information on things I wouldn't have thought to ask -- like where those extra

staircases in the dungeon lead to. Advanced gamers, or those who played "Diablo" on computer likely won't want or need this, but for everyone else, this book is an excellent companion to the game, and is a quality product, attractive to look at and clearly written. Now, if you'll excuse me, I have a 31st level Sorcerer calling me back to Tristram ...0 of 0 people found the following review helpful. Five Stars By Tracy Rogalla Great book, very helpful in the game. 0 of 0 people found the following review helpful. GOOD PRICE By WAYOIS A GOOD BOOK GUIDE , BUT IT TOKE A LOT OF TIME TO REACH HOME, BUT IS A GREAT BOOK SO I CAN REVIVE THE EPIC MOMENT PLAYING DIABLO 1 WHITAOUTH THE PROBLEN AND PUZZLES
