Yes, I would bribe, oops I mean set rewards, ok bud you have to read 30 min to play on xbox 30 min okay FINE 1hr on xbox for 1/2 hour of reading and still he would act as if I was torturing him...With the Diary of a Minecraft Iron Golem he has read on his own because he wants to see what is going to happen next and it holds his interest without my persuading him which is truly saying something.0 of 0 people found the following review helpful. Creative and fun storyBy Ashton WhiteThis was such an adorable Minecraft story about the Iron Golem, Aron, and his journey and adventure in his everyday life. He was exciting to follow as he is very enthusiastic and joyful creature. I think this is perfect for kids maybe my only small gripe is the lack of pictures but nevertheless I don't think it matters much. I still found the storyline good and easy to understand and imagine.

Hey friend, it's Aron. In this story you can join me in my journey to finding out all about monsters when I journey outside of my quiet village. Leaving my only friend behind, I'm determined to find more than this boring village. I want to smash skeletons, throw creepers, and face off against zombies. I want to do what an iron golem is meant to do. I want to protect. I want to fight, and it's all I ever wished for. Join me on my journey to find excitement in the Minecraft world and learn what being an iron golem is all about.
