Johann Strauss Jr., Opera and Choral Scores : Die Fledermaus Vocal Score (Dover Vocal Scores) (German Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Die Fledermaus Vocal Score (Dover Vocal Scores) (German Edition):

It contains everything I was looking for - namely the melodies and basic scores to the songs of Die Fledermaus - as well as the pleasing inclusion of the dialogue in German with English translations. The songs do not include the English translation, but this was no trouble for me as I

have access to that information elsewhere anyway. All in all, it seems so far to be just what I was looking for and appropriately priced. 0 of 0 people found the following review helpful. This sparkling masterpiece, one of the finest musical efforts by the celebrated "Waltz King," premiered to instant acclaim on the Viennese stage in 1874. A standard of the repertoire, it is frequently produced on New Years Eve in a special all-star gala performance by the esteemed Metropolitan Opera. Reproduced from an authoritative German edition, it will be an indispensable aid for soloists, chorus members, and rehearsal pianists.
