Ruth Martin : Die Fledermaus: Vocal Score (G. Schirmer Opera Score Editions) before purchasing it in order to gage whether or not it would be worth my time, and all praised Die Fledermaus: Vocal Score (G. Schirmer Opera Score Editions):

Translation inconsistencyBy MamaStoxComparing this score to other scores using the Ruth and Thomas Martin translation shows that the G. Schirmer score has a lot of word changes. This is frustrating when performing with a large group because everyone has different editions and causes need for a lot of correction. Also, I was disappointed that this particular Schirmer score doesn't include the original language. Other scores I've gotten have the foreign language in addition to

the English translation, but this only has the English. I'm not sure why this is, but I had to buy a second score so I could learn the arias in German.

(Vocal Score). English Only. Translated by Martin.
