Editors of Reader's Digest : Discovering America's Past: Customs, Legends, History Lore of our Great Nation
before purchasing it in order to gage whether or not it would be worth my time, and all praised Discovering America's
Past: Customs, Legends, History Lore of our Great Nation:

0 of 1 people found the following review helpful. Five Stars By D. Lorenz Great book on America. The Reader's Digest
books are always well done. 7 of 7 people found the following review helpful. Fun Book By Tina Gardner I had a blast
reading this book. I had borrowed it from a friend, hoping that the anecdotes would add spice and interest to my home-
schooled son's study of American History. And they really did! This is the type of book you can enjoy a few pages at a
time, or devour all at once. Most enjoyable! I especially enjoyed reading about New York City's "Moving Day in
May." Apparently it was the custom from Colonial times until the late nineteenth century for all renters in the city
seeking new lodgings to move on May Day. You can imagine the pandemonium!

The personal side of American history is revealed in a collection of more than 450 true stories, featuring the designer
of Lincoln Logs, the Real McCoy, explanations of bizarre customs, and a bonus guide to historic sites. 25,000 first
printing.

From BooklistReader's Digest offers a delightful and informative social history of the U.S. The folksy, anecdotal narrative profiles are a cornucopia of customs and traditions that have contributed to the American way of life. Chapters are devoted to a variety of topics, including the family, food and drink, leisure, education, business and industry, the Wild West, and country and city life. Brimming with an abundance of priceless vintage photographs, paintings, and engravings, this fascinating cultural potpourri is an ideal browsing item for library patrons. Margaret Flanagan
