Thomas Wilde : Disgaea D2: A Brighter Darkness: Prima Official Game Guide before purchasing it in order to gauge whether or not it would be worth my time, and all praised Disgaea D2: A Brighter Darkness: Prima Official Game Guide:

5 of 5 people found the following review helpful. Very decent guide By Destroy Optimus Disgaea guides are a hobby of mine. Disgaea 3 had the best info, and still to this day maybe the book I have read most in my life. Disgaea 4 had one of the worst guide ever published. This guide falls close to disgaea 3. Quality paper and artwork line a significant amount of data. Charts, item lists, math... what more can you want! The items and charts are useful for quick reference, however the math is a great way to start looking into ways to maximize development of your team well after the storyline finishes. This book has good info on the story, but as it should with a game like disgaea, the walkthrough of the main story line is less than half the content of the book. This comment is for all the people who I told not to buy the

disgaea 4 guide, the guide for disgaea d2 is worth the money.0 of 0 people found the following review helpful. pretty, has an insert or twoBy KristopherAbout midway between Bradygames' atrocity and the Old-school Double Jump stuff, plus it's hardcover, pretty, has an insert or two, and LOADS of lovely pictures -- which kinda makes up for the almost utter lack of post (real) game content.It's passable, and you know I only really got it for the collection, but I wouldn't be averse to suggesting it for a guided first playthrough if that's your thing. . .and for me guided playthroughs are a thing that goes very well with JRPGs . . . I like to get that feeling of playing with someone else. I think my favourite experiences with that ever came from Fallout 2 and Star Ocean 3. but I digress...3 of 3 people found the following review helpful. A great guide!!By Jenn PrescottExactly what my husband was looking for!! He was very impressed with the detail and quality construction. Has been added to his shelves in a place of honor!!

Exclusive playable character Raspberyl DLC - Free access code included with the guide unlocks Raspberyl as a playable character in Disgaea D2.*Exclusive Lithograph Print - Each guide includes 1 of 3 unique pieces of art never-before released in the US and exclusively available with this guide. Limited Edition - This hardcover guide features unique cover art and high-quality paper to ensure it'll be popular with collectors for years to come. Stats, Maps Strats - Whether you're a casual player or the hardest of the hardcore, we've got everything you need to reach the end, with all the stats, maps, and tactics that'll carry you through the Netherworld. Incredible Concept Art - We've dedicated a full chapter to art, sketches, and paintings, published together for the first time outside of Japan. This isn't just a guide; it's an artbook. Hit Someone For Trillions of Points of Damage - Do you want to punch some poor demon for so much damage that science will have to make up a new number for it? We'll show you how. The Daily Grind - We give you tips on how to most efficiently get through the Item World and the bonus stages. Meet, fight, and "befriend" a who's-who of Nippon Ichi superstars. *(DLC code only available in North America)
