She thinks that 'Disney At the Piano' has a nice variety of the Disney classic songs. She is enjoying the challenge of playing; it's not too easy that she's bored and it's not too advanced that she's discouraged. She would recommend this piano book to anyone intermediate piano player that likes Disney music. 0 of 0 people found the following review helpful. Five Stars By Jeanette Angle These songs are detailed and exactly what I was looking for. 0 of 0 people found the following review helpful. This is a great book with classic Disney songs By Starlite This is a great book with classic Disney songs. It is definitely not for a beginner. Some of the pieces are too

hard for me but I am learning them and like the challenge.
