Cano The first time I bought this was for my 6-year old son who started taking piano lessons at age 5. He specially

enjoyed learning the songs You'll be in my Heart and Go the distance ---2 of his most favorite Disney songs. the second time, I bought this book again for a friend's daughter who took interest in piano lessons after hearing me play some of the songs from this book. Children love this book because of the beautiful Disney songs in it. I specially like this because it has the songs from the more recent Disney animated movie hits.0 of 4 people found the following review helpful. seriouslyBy Theresa Sif you want to just try the book as a sample you can only see part of one song ( Arabian Nights).
