20 of 20 people found the following review helpful. glorified pamphlet - shame on Lantern Books By goodentree This isn't a book. It's a glorified pamphlet with tiny non-relevant black and white stock game images on some pages. Yes, the only color is on the cover. It's as if someone played Disney Infinity 3.0 for an afternoon, suffered head trauma, then wrote this. Cheshire cat section says: "...he should be there 75% of the time or he could be hiding in a random spot". How is that a tip? Another sections says: "Plan your sparks: plan ahead about what you want to buy". As

opposed to? duh! The Easter eggs, aren't. If you do get passed how worthless it is, you'll also notice how poorly written it is, with typos throughout. It's not even worth reading if it was free 11 of 11 people found the following review helpful. Don't waste your money. By Customer This book was not worth the price. I had already obtain the information covered in this book through other free resources on the Internet. 10 of 10 people found the following review helpful. THIS Tip isn't Secret: Do Not Buy This Book By x-Daedalus-x This book had one (1) interesting tidbit within. I really wish I would have known these books were so terrible before I wasted by money on them.
