they are. A few interesting harmonies are tossed in but very tastefully done. I will be using this for a Disney themed recital. 3 of 3 people found the following review helpful. Nice arrangements without TOO much difficulty By Erin We love this book. The arrangements are really fun. Fairly easy enough for an intermediate piano to sight read and work through on the first few run-throughs without sounding like an easy arrangement (if that makes sense). Great selection of songs... the Tangled song is really beautiful.

(Educational Piano Library). Here are 8 great Disney hits expertly arranged as intermediate duets: The Bare Necessities * Belle * Chim Chim Cher-ee * Hakuna Matata * I See the Light * Kiss the Girl * When She Loved Me * You've Got a Friend in Me.
