From Hal Leonard : Disney's Beauty and the Beast: The Broadway Musical before purchasing it in order to gauge whether or not it would be worth my time, and all praised Disney's Beauty and the Beast: The Broadway Musical:

3 of 3 people found the following review helpful. Great for Intermediate/Advanced Pianists By TRMI bought this because I have been using the "easy piano" version of this musical's piano music for easily 7 years now, and 7 years ago I needed it...now it is just cumbersome because you clearly know they have over-simplified it so beginners can play. This music sounds SO much realer and like the actual recorded music...I would recommend to intermediate - to - advanced experience level...intermediate will need some practice to polish and advanced will probably have no problems. 7 of 7 people found the following review helpful. wonderful translation By E. Garrison This music is absolutely beautiful and translated very well from the original score. The pieces are challenging enough to make them

pretty and enjoyable and not too difficult for the intermediate pianist.0 of 0 people found the following review helpful.
Five StarsBy CustomerDaughter loves this gift and I loved the ease of ordering this gift on

(Vocal Selections).
