Percussion: Play Along with a Full Symphony Orchestra!:

The rhythms are beginning band grade, the notes are extremely easy. If you were to have this to someone and show them where the notes were, they would easily be able to play this. The accompaniment acts as the solo. There are points where you rest and the accompanist has all of the parts. If you plan on playing with this BE WARNED: it is NOT worth your money. 0 of 0 people found the following review helpful. Five Stars By Sarah Hoffman I can't wait to work with the Mallets with this
