**Dave Smith : Disney Trivia from the Vault: Secrets Revealed and Questions Answered (Disney Editions Deluxe)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Disney Trivia from the Vault: Secrets Revealed and Questions Answered (Disney Editions Deluxe):

1 of 1 people found the following review helpful. Disney's Trivia Book By Dewana Brown Informative. I learned a lot I did not know much about the television trivia because I was too young at the time that the book illustrates, the stuff

from the 80's I haven't seen on Tv. I learned a lot of things from the animated movies that I never noticed when I watched them. The book was a good read. 2 of 2 people found the following review helpful. Dave Smith is my hero. By Janice T. Temple. I have the original Dave Smith The A to Z official encyclopedia of Disney. Often I even print out the supplement that Dave updates each month. Smaller books, like Trivia, are fun excerpts from the encyclopedia. They are portable. For any Disney fan age 12 and up this little book is a welcome addition to the Dave Smith collection. We are fortunate to have a Disney historian like Dave. I recommend all his works. 0 of 0 people found the following review helpful. Disney Trivia from the Vault (Paperback E-Book)... By Ms. Hoh. I first received this book as a paperback for Christmas and I started reading it. However, I soon realized that I was spending more time reading books on my Kindle than in book-form, so I purchased the e-book as well. Very good book... lots of questions I've never thought of asking or to ponder about. The guy who wrote this is an actual archivist for the Disney Company, so he's very knowledgeable and answers each question thoroughly. I highly recommend this book to anyone who is a Disney fan... you will not be disappointed.

Beginning with the July 1983 issue of Disney Channel Magazine, Dave Smith began answering Disney trivia questions from viewers of the Disney Channel. In the ensuing thirty years, his column has continued through multiple publications, including Disney Magazine, the on-line "Disney Insider," and most recently the D23 website. "Ask Dave" questions have come from Disney enthusiasts the world over, and have covered topics ranging from Cinderella's last name (Tremaine) to the number of triangles covering the surface of Epcot's Spaceship Earth (11,324 facets comprising 954 triangles.) Over 1,100 questions have been fielded by Dave Smith, the now-retired Chief Archivist of The Walt Disney Company, and this book is a compendium of the most interesting and revealing of those queries. The book is divided into chapters that each cover an aspect of Disney history, including Disneyland, Walt Disney World, Disney films, Disney television, and Disney characters. Many of the questions bring up interesting information that has not been published elsewhere, and readers will delight in discovering some of the secrets behind their favorite movies and theme parks. "Did the same actress provide the voice of Maleficent, as well as the voice of Madame Leota, the head in the crystal ball in The Haunted Mansion?" "Who was the first athlete to say 'I'm going to Disneyland!'" Only Dave knows the answers!
