**Ted Willis, Sue Rodwell : Dixon of Dock Green: 12 Episodes of the BBC Radio 4 Drama** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Dixon of Dock Green: 12 Episodes of the BBC Radio 4 Drama:

David Calder, David Tennant, and Hamish Clark star in these BBC Radio 4 dramas based on the original TV series. George Dixon became one of the best-known and most-loved fictional policemen during the course of three decades of BBC TV's Dixon of Dock Green, in which he was played by Jack Warner. In these 12 radio adaptations he once again upholds the law on the streets of 1950s Dock Green. David Calder stars as PC George Dixon, with David Tennant and Hamish Clark as PC Andy Dixon. Running time: 6 hours approx.

About the Author Ted Willis (1914 - 1992) was a British playwright, novelist and screenwriter who was also politically active in support of the Labour Party. He was listed in the Guinness Book of Records as the world's most prolific writer for television, and also wrote 34 stage plays and 39 feature films. Sue Rodwell is a British writer who has written original and adapted works for BBC radio.
