I thought it was. It has cheap brown pages, like those you'd see in a child's crossword puzzle book. That aside, it serves its purpose. I gave it to my husband in his stocking, and he pages through it when he's bored. Not exciting, but maybe a preteen would like it better. Should be priced under four dollars. 1 of 1 people found the following review helpful.

Fun for my husband and challenging. A bit too tough for my 10 year old son.

A hard-hitting quiz for tail-gaters, referee-haters, Monday night quarterbacks, and anyone who'd kill for their team.
