Gemma Elwin Harris : Does My Goldfish Know Who I am?: And Hundreds More Big Questions from Little People Answered by Experts before purchasing it in order to gauge whether or not it would be worth my time, and all praised Does My Goldfish Know Who I am?: And Hundreds More Big Questions from Little People Answered by

Experts:

"This book is invaluable!" Alexander Armstrong Children ask the funniest questions: Why does sweetcorn come out the same as when I ate it? Do spiders speak? Why does Daddy never win the lottery? Which is faster, a Velociraptor or a cheetah? How does the lady in the satnav know where to go? Does my goldfish know who I am? (Do you think fish have two-second memories? Find out the truth on page 94!) This book takes real children's questions gathered from primary schools across the UK and asks some of the greatest thinkers and experts of our time to give short and accessible answers. Brian Cox explores the edge of the universe, Sir David Attenborough tells us whether monkeys could ever turn into men, and Miranda Hart ponders why it's funny when someone farts. Other contributors include Bear Grylls, Sir Paul McCartney, Sir Quentin Blake, Heston Blumenthal, Kate Humble, John Lanchester, A. C. Grayling, Jeremy Paxman, Dan Snow, Jojo Moyes and Tony Robinson. Does My Goldfish Know Who I Am? is a treasury of surprising facts and insights inspired by the curiosity of children. It is the perfect family gift - because sometimes grown-ups need help with the answers too. At least 33 per cent of the publisher's advance payments and 67 per cent of net royalty income in respect of sales of this book is donated to the NSPCC (Registered Charity Numbers 216401 SC037717).
