In comparison to the soft-cover editions of these operas, these cloth-bound ones actually stay flat on the piano, and have withstood daily wear and tear surprisingly well. This is the best edition to get of the great Italian standards (except for Mozart!), so be sure to get the cloth-boundit's well worth the small difference in price!0 of 0 people found the following review helpful. One StarBy Gity RazazIt arrived almost torn in half. I'm returning it.3 of 3 people found the following review helpful. Excellent score bookBy Ben RutjesThis book with the full orchestra score for Don Pasquale is an excellent handbook and worth the

money. Although the notes are sometimes a little bit too small for me, I could read and play it like it was mentioned. So if you want a good orchestra score book for Donizetti's Don Pasquale this is the one to get.

Musical Theatre Vocal Solo

"A rich source of information . . . a worthy symbol of the surge of interest in Donizetti that was sparked by the recent bicentennial and that will no doubt flourish for years to come."
