Kenneth C. Davis : Don't Know Much About The Pioneers before purchasing it in order to gage whether or not it would be worth my time, and all praised Don't Know Much About The Pioneers:

0 of 0 people found the following review helpful. An excellent book for someone special!By haA gift to my granddaughter as a just because gift as I had sent her an bonnet like the people wore in the pioneer days!0 of 0 people found the following review helpful. This is a good and simple way for the kids to learn about ...By jay_vee_zeThis is a good and simple way for the kids to learn about Pioneers. They can learn a ton of facts and they're interesting enough to make them want to learn more!0 of 0 people found the following review helpful. Sickness is the main problem on the Oregon Trail? That's something I didn't knowBy CCFrom my eight-year-old daughter:I give this book 4.5 stars. It is a great way to learn. I'm very excited about the subject because I'm interested in pioneering, but I don't actually want to be a pioneer because it was dangerous on the Oregon Trail. The book told me that it's most likely sickness that's going to be the problem. (The book gave a multiple-choice quiz about that, and there were more multiple-choice quizzes about other things.) The most interesting thing to me is that buffalo chips are not chips with buffalo-flavored sauce. They're poop!This book is very good at explaining.

large softcover, same image on cover as Hard Cover, Scholastic fist edition September 2004. Hundreds of trailblazing

facts about adventurous pioneers...Cover art by Renee Andriani
