**Michael D. Geller : Don't Play the Slot Machines (Until You've Read This Book)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Don't Play the Slot Machines (Until You've Read This Book):

Michael Geller, a slot machine fanatic as well as a casino employee, illustrates every minute detail involved in the world of slots. He reveals strategy and mental techniques, game ethics, slot computer chip function, and even the schemes that the casinos can employ to take your money. Providing a view and advice from the inside, Geller explains everything from the slot technicians to the most frequently asked questions of casino customers. He covers every aspect of the game while delivering his wisdom regarding strategy. Take Geller's advice and Don't Play the Slot Machines (Until You've Read This Book) and your next experience with the "one-armed bandits" will easily be a more profitable and entertaining one.

About the Author Michael D. Geller, a graduate of the Drama department at Carnegie Mellon University in Pittsburgh, toiled for many years as a writer/producer/creative marketing consultant in network television in Los Angeles. After a lifetime of studying gambling, especially gambling ethics in Nevada and Atlantic City, he now lives in South Dakota where he enjoys working as a casino host. He answers customer questions about slot machines.
