**William Ashbrook : Donizetti and His Operas (Cambridge Paperback Library)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Donizetti and His Operas (Cambridge Paperback Library):

0 of 1 people found the following review helpful. fast .By Maureenfast . Weight of the product fees good in my hand and it's very nice looking. If your looking for value in a product this is it. Very well. my sister need it , best service, patient.

This new imprint is established to publish in paperback for an individual readership the Press's most outstanding original monographs. These are titles that would normally appear only in hardback editions for specialists, but whose quality and general academic importance justify their special promotion in this prestige imprint. The series will include both new and recent titles drawn from the whole range of the Press's very substantial publishing programs in the humanities and social sciences, and therefore represents some of the best current scholarship in the English language.
