There are some pages that have red and other colors on them and are hard to read. I would like to do these pictures but will not buy this small of print numbers. Its too bad too because I think these would come out as nice scenes.3 of 3 people found the following review helpful. Two StarsBy CustomerDifficult to see the print. Also, no pictures anywhere of what you are working on.0 of 0 people found the following review helpful. Five StarsBy Rosemary GrayGood adult dot to dot book
