Rick Barba : Dracula Unleashed: The Official Strategy Guide Novel before purchasing it in order to gage whether or not it would be worth my time, and all praised Dracula Unleashed: The Official Strategy Guide Novel:

Here is the only guide to the first interactive horror movie from Viacom New Media. It is the player's lifesaver as he winds his way through the treacherous streets and alleys of London. This guide helps the player equip himself for the chase by showing him a complete walkthrough of the game and strategies on how to think ahead to avoid those blood-thirsty teeth. Includes the complete, unexpurgated text to Bram Stoker's Dracula.
