**Chris Pramas : Dragon Age RPG Core Rulebook** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Dragon Age RPG Core Rulebook:

7 of 7 people found the following review helpful. Worth Waiting For...By Frank S. After waiting about 3 years or so, I finally have the final portion to the game. Physically the book looks well-made and professionally done. Artwork looks fine to me even if some may be from previous boxed sets...the rules are what I value the most. I am glad to see new material that was not in the playtest version of the third boxed version which covered character levels 11 through 20. Also happy to see more on Rune magic, the corrupting "taint" of the Blight, and new adventures. I was a bit disappointed regarding the history/timeline of events in Thedas as I felt it was too brief and spread out amongst the various nations compared to the boxed sets. It seems to bring events up to date with the beginnings of the Inquisition era I believe, but I will need to read more on this to be sure. Overall, I would recommend this product to anyone wanting to run a tabletop version of the Dragon Age video game series. 2 of 2 people found the following review

helpful. Great RPG, excellent sourcebook!By Phil AndersonNot only a very fine fantasy RPG, but a great sourcebook for the Dragon Age fan. Beautifully illustrated and presented, and a complete game in one volume. Fun to run, and fun to play. Highly recommended.2 of 2 people found the following review helpful. The production quality is really great. I love the imagery and character optionsBy DavidThis book is very well done. The production quality is really great. I love the imagery and character options.

The Dragon Age RPG brings Thedas to your tabletop! Now you can experience BioWare's rich and engaging world in a classic pen paper roleplaying game. This new Core Rulebook combines the rules and background of the original game under one cover for the first time, and adds a brand new adventure as well. The game system is easy to learn and play, and the book is packed with lore from the world of Thedas. Dragon Age also features an innovative stunt system that keeps combat and spellcasting tense and exciting. So gather your friends, grab some dice, and get ready to enter a world of mages and templars, of Grey Wardens and darkspawn, of gods and demons ... the world of Dragon Age!
