Eric Mylonas : Dragon Ball Z: Budokai 3 (Prima Official Game Guide) before purchasing it in order to gage whether or not it would be worth my time, and all praised Dragon Ball Z: Budokai 3 (Prima Official Game Guide):

0 of 0 people found the following review helpful. Secretly Co-Authored by Sherry Bobbins?By MilburyReading the other reviews for this guide, I had a brief chuckle at the one that praised Prima books as fantastic, for as anyone with any knowledge of game guide books knows, Prima books are usually the WORST of any game lucky enough to have multiple guides, frequently rating well below rival Bradygames, let alone the fantastic and altogether too brief Versus Books series. The reason for this is simple, as Prima guides were usually rushed affairs meant to be on the market as quickly as possible. This guide is no exception, and while aware in advance of Prima's slipshod track record, I was still pretty disappointed with it. As previous unverified reviews note, the focus for this guide is mostly on the PS2 version of Budokai Tenkaichi 2, with the Wii version apparently an afterthought. And while I respect the difficulty of writing a guide to a game with 120+ playable characters, I feel like the way this guide went about tackling the problem

(covering only the basic forms of each fighter) is a lousy half measure bound to satisfy no one (except maybe the Prima executives). If you're going to write a guide for a game, write it for the full game or don't write it at all, you know? Unless you intend to sing a musical number extolling the virtues of cutting corners, in which case I can only say well played, Eric Mylonas.0 of 0 people found the following review helpful. Four StarsBy joemy son found this guide super helpfull1 of 1 people found the following review helpful. Dragon Ball Z Game GuideBy MarcyI purchased this for my son who says the guide arrived in excellent contion and it very happy with it to play his game with.

Only One Will Prevail. Bios, moves lists, and illustrated moves for all heroes and villains Exposes all 7 game modes in detail How to unlock all bonus characters Covers all 12 stages and breakable areas Dragon Universe mini-walkthrough Comprehensive Capsule compendium organized by character Complete listing of where and how to obtain all Capsules Expert fighting strategies
