Elizabeth Hollinger : Dragon Warrior Monsters 2: Cobi's Journey Tara's Adventure: Prima's Official Strategy Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised Dragon Warrior Monsters 2: Cobi's Journey Tara's Adventure: Prima's Official Strategy Guide:

1 of 1 people found the following review helpful. Love it!By Allie ScamardoI started playing the Dragon Warrior games when they first came out on Game Boy, and I was stoked when they released the Dragon Warrior Monsters games. I picked up this guide along with one of the Dragon Warrior Monsters 2 games, and I used the guide religiously. It not only gives you great walkthroughs for the different zones, but gives you the guides for the boss and colosseum fights, the monsters found in the zones for both versions, and best of all: the monster breeding guide. It's a must-have if you enjoy the games.7 of 7 people found the following review helpful. Much better than most of Prima's

guidesBy IlyanacThis book has everything you need for these games and I mean it. I'm really tough on hint guides, especially when they give you less help as you get toward the end when you need it most, as many Prima guides do, but this one provided thorough coverage all through. In fact it went beyond the call of duty, giving a complete monster index, complete breeding help, personality charts, lists of what monsters can be found in all worlds (including magic key worlds), locations of all items, the complete scouting report on all bosses and colossium opponents, and other useful trivia. It's for both games and even goes into the possible interactions between them. Believe me, the monster guide alone is enough reason to get this book, so do it.1 of 1 people found the following review helpful. best guideBy A CustomerI like this guide very much. It tells you everything you need to know and it is not like the other cheap ones you get at the store. You should order this book because it guides you through the game and tells you how to get the good monsters by breeding.nOne last reason why i liked it is because it gives a whole list of every single monster in the game. Order now and you wont be whasting your money.

DRAGON WARRIOR MONSTERS 2: COBIS JOURNEY TARAS ADVENTURE--PRIMAS OFFICIAL STRATEGY GUIDE welcomes you back to the fun of training and breeding fabulous Dragon Warrior Monsters! This guide covers both COBIS JOURNEY and TARAS ADVENTURE--two distinct games with terrific linking capabilities. This guide will give you stats and info about all the monsters, locations to collect Magic Keys, a complete walkthrough with maps of all areas in both games, and essential info on linking up the two games for the ultimate DRAGON WARRIOR MONSTERS experience!
