**Hollywood 360 : Duffy's Tavern, Vol. 1 (Hollywood 360 - Classic Radio Collection)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Duffy's Tavern, Vol. 1 (Hollywood 360 - Classic Radio Collection):

The show's opening song "When Irish Eyes Are Smiling" is interrupted by the ring of a telephone and actor Ed Gardner answering, "Hello, Duffy's Tavern, where the elite meet to eat. Archie the manager speakin'. Duffy ain't here-- oh, hello, Duffy." Duffy's Tavern was a dive in New York City, and Archie's Brooklynese quickly became a favorite feature of the show. He was always trying to get rich quick, and his harmless schemes often involved weekly guests who were well-known stars, such as Vincent Price and Shelley Winters. Some of radio's sharpest comedy was penned for this show by top Broadway and TV veterans, including Larry Gelbart and Dick Martin.

About the Author Hollywood 360 is a syndicated radio show heard every Saturday evening on radio stations throughout the United States. Hollywood 360 showcases a wide variety of audio entertainment, from the golden age of Hollywood to today's most current headlines.
