Roger Price, Leonard Stern : Dysfunctional Family Therapy (Mad Libs) before purchasing it in order to gage whether or not it would be worth my time, and all praised Dysfunctional Family Therapy (Mad Libs):

0 of 0 people found the following review helpful. love them mad libsBy Melanie Forbes So much fun. I've loved mad libs since I was a lil girl. I'm 37 now still lots of fun with friends or alone! And they arrived a couple days early too.1 of 1 people found the following review helpful. Adult Mad Libs rock!By anastasiab. These aren't so risque that you

can't involve your teenagers... Maybe family participation contributes to the dysfunctional nature of my family, which makes us identify with these?0 of 0 people found the following review helpful. A Lot More Fun Than Therapy!!By J. ArenaIt's good to have a little cheap fun at the family's expense! This is way funny and you can make it as tasteless as you want. Great way to discover how nuts your family really is! Everybody had a blast with this, including a lady of the tender age of 86!
