Douglas Post : Earth and Sky (Library Edition Audio CDs) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Earth and Sky (Library Edition Audio CDs):

Head in the clouds, Sara McKeon lives in the rarefied world of library work and poetry readings. She seems completely unsuited to investigating the sudden brutal murder of her lover. A haunting mystery infused with humor, poetry, and urban grit. A L.A. Theatre Works full-cast performance featuring: Ana-Alicia, Ed Begley Jr., Annette Bening, Jana Hupp, John Mahoney, Stephen Markle, Joseph Mascolo, George Murdock and Steven Weber.
