Djape : Easier Sudoku book: 200 easy sudoku puzzles (Volume 1) before purchasing it in order to gage whether or not it would be worth my time, and all praised Easier Sudoku book: 200 easy sudoku puzzles (Volume 1):

This is a book of easy Sudoku puzzles. Something for you to solve when you just want to relax and not think too

much. All puzzles are new and they are easier than puzzles in other books I've published. Still, you won't just fill in the numbers without any thought; you will have to pay attention to the rules of Sudoku and make sure no numbers are repeated in rows, columns and 3x3 squares. Just a reminder: please do not guess! The book is small in size but the numbers are printed in large font, easy to read. Visit www.djape.net for more difficult sudoku and other puzzles.
