Eastman Wind Ensemble : Eastman Wind Ensemble at 50 before purchasing it in order to gage whether or not it would be worth my time, and all praised Eastman Wind Ensemble at 50:

Discriminating conductors of all wind ensembles will be certain to include this valuable 3-CD recording of the revered Eastman Wind Ensemble in their listening library. Under the baton of Donald Hunsberger, the recordings include the works of Mozart, Reynolds, Weill, and Gershwin among others. The program notes and printed information regarding Eastman Wind Ensemble's renowned conductors and significant history are included in the CD package.
