1 of 1 people found the following review helpful. As a teacher, exactly what I was looking for. Fun, easy, progressively complex pieces. By Low Hertz Exactly what I was looking for. I teach string bass and wanted a collection of reasonably easy to play, tasty pieces to prepare a student to enter and succeed in their school music program. Useful pieces for any introductory bass player. Fun to play as well. Simandle provides the guts. It's too bad there isn't another

step by step approach like Simandle's Methodbut at a slower pace.1 of 1 people found the following review helpful.
Nice addition to music libraryBy LA StoryGood starters for beginners to practice the older classical pieces and folk songs. I found it a good addition to my library.0 of 0 people found the following review helpful. but a great into to classical music for a beginner bassistBy AKCK720Easy-ish, not your root 5th lines, but a great into to classical music for a beginner bassist.
