The finger pattern for the notes are given so the beginner can look them up on one page in the beginning. The pieces are simple (but well done) versions from well known famous music pieces. They sound great and give you the impression to be already really skillful with the recorder :) During our long drives in the car on a camping trip I

entertained my family with playing the book from front to back....I had fun and my boys were exposed to some classics!3 of 3 people found the following review helpful. EZ Classical Recorder SolosBy nebbieThis book has many simply written classical songs. They sound good on the recorder and are easy to play. This book lets you play classical music on the recorder and is for anyone who enjoys that genre.7 of 7 people found the following review helpful. Finally!By L REAI'm really happy to have this easy classical book. So tired of just playing polly wally doodle, etc. Wanted something other than songs from childhood. Having lots of fun with this book.
