There are a few songs they can both play both sections of, and plenty to challenge them down the road. Coordinating playing two different parts at the same time has proved to be a bit more of a challenge for them at this level of experience. If buying for younger kids I would look for something where both parts play a similar rhythm. We'll look forward to trying duets again in another 6 months.3 of 3

The melodies are good because they're simplified for beginner students. The duet parts are very boring though. If you're looking for a fun yet book, try the suzuki duets.

Bought this to play duets with my son. He's better than me, but these were easy enough for me to sight read and keep up. He indulges me and we are having a great time!

This collection features a selection of classical pieces by the world's most renowned composers: Johann Sebastian Bach, Antonio Vivaldi, Johannes Pachelbel, Wolfgang Amadeus Mozart, Ludwig van Beethoven, Richard Wagner, Johannes Brahms, Johann Strauss, Pyotr Tchaikovsky, Giuseppe Verdi and Edward Elgar. This selection of pieces is intended for absolute beginners. While other books have a accompaniment part for teachers, in this book the accompaniment has been over simplified for beginner students. Includes: 1812 Overture A Little Night Music Air on G String The Blue Danube Bridal Chorus Canon La Donna Mobile Dance of the Flowers Fr Elise Greensleeves Jesu, Joy of Man Desiring Land of Hope and Glory Lullaby Ode to Joy Spring - Four Seasons
