By Lavonne Wardlaw Great puzzle book. Don't let the word MENSAS scare you off. They gradually increase in hardness as you go along. Love the size of the puzzle format and the fact that I can tear each page off after completing front and back. Admission: this is my second

purchase of this book for that reason. Lots of puzzles so economical too. 0 of 0 people found the following review helpful. I loved it so much I replaced it. By Jrin I bought a version of this in 2007. I loved it so much I replaced it. I like the easy/mod/hard puzzles. The easy ones are nice for when I don't want to think too hard. My son is using the easy one to learn too. He is 8. I would recommend.

A super-sequel to Mensa Sudoku which will easily equal the popularity of the first, 145,000 copies sold and climbing! Written by Frank Longo, one of the best sudoku creators around, it offers 534 fantastic puzzles (all in the standard 9x9 format) that go from very simple to extremely hard. That means smart newcomers can get started solving immediately and hone their skills as they proceed logically through the book. By the end, they'll have become experts, ready for any sudoku that comes their way.
