Andrew Nickolds, Christopher Douglas : Ed Reardon's Week: Series 7 (Episodes 1-4) before purchasing it in order to gage whether or not it would be worth my time, and all praised Ed Reardon's Week: Series 7 (Episodes 1-4):

Radio 4s most curmudgeonly author is back for a new series, complete with his trusty companion Elgar, his pipe, and his never ending capacity for scrimping and scraping at whatever scraps his agent, Ping, can offer him to keep body, mind, and cat together. In these four episodes, austerity has hit Ed hard. But things may be looking up as he starts working with the most disturbingly fresh and mesmerizingly compelling voice of his generation, Ben Herbert, and finds himself employed on a corporate video along with director and old sparring partner Jaz Milvane. He also enrolls on a writing course and learns a thing or two about setting up his very own Script Doctor service. Plus, Ed finds himself in the middle of some sibling rivalry when Pings sister, Py, undertakes some work experience at the agency. Written by Christopher Douglas and Andrew Nickolds, and guest starring Stephanie Cole as Olive, John Fortune as Felix, and Barunka OShaughnessy as Ping. 2 CDs, 120 minutes

"the on-air presence of the peerless fictional curmudgeon is pure joy" -- Gillian Reynolds The Telegraph
About the Author
Christopher Douglas is a British actor and writer. He is co-creator and writer of Ed Reardon's Week, as well as I, An Actor (with Nigel Planer), and Beauty of Britain (with Nicola Sanderson). Andrew Nickolds is a British writer,
