From Radio Spirits : Edgar Allan Poe before purchasing it in order to gage whether or not it would be worth my time, and all praised Edgar Allan Poe:

Radio Spirits is proud to present Edgar Allen Poe's greatest stories to air on radio. Enjoy 6-hours of eerily, compelling stories which were created by this brilliant master of American literature and recreated on such thrilling radio shows as Inner Sanctum, Escape, Suspense, and the 32-page collectible booklet which is included in this collection. Enjoy the literary genius behind the man who has been described as the "master of the macabre" and the "father of the modern detective story."
