From Music Sales : Edward Elgar Concerto In E Minor Opus 85 (Music Sales America) before purchasing it in order to gage whether or not it would be worth my time, and all praised Edward Elgar Concerto In E Minor Opus 85 (Music Sales America):

(Music Sales America). Recognized as one of the most important works in cello repertoire, Elgar's Concerto Op. 85 was completed in 1919 and stands as his final major completed work. This new edition, edited by John Pickard of the Elgar Society, uses for the first time the composer's original sketches to piece together an authoritative and definitive

arrangement for cello and piano. A wonderful edition of one of the most frequently performed works for the cello.
