Would prefer Albert edition By Helen Nice collection, but I would have preferred the Albert edition with much better fingering. 1 of 1 people found the following review helpful. Bach revisited By Marianne de Jager The 18 Little Preludes for piano/harpsicord are not well known. They are very playable (with some interesting twists) and sound good. This edition has lots of useful information about the various pieces and also very helpful are the directions for ornamentations. Well worth having!
