**Felix Mendelssohn : Elijah** before purchasing it in order to gage whether or not it would be worth my time, and all praised Elijah:

Title: Elijah Composer: Felix Mendelssohn Original Publisher: Peters The complete vocal score to Mendelssohn's oratorio Elijah as originally published by Peters in 1890. This edition includes both English and German text. Performers Reprints are produced in conjunction with the International Music Score Library Project. These are out of print or historical editions, which we clean, straighten, touch up, and digitally reprint. Due to the age of original documents, you may find occasional blemishes, damage, or skewing of print. While we do extensive cleaning and editing to improve the image quality, some items are not able to be repaired. A portion of each book sold is donated to

small performing arts organizations to create jobs for performers and to encourage audience growth.
