Anil Gupta : Elvenquest before purchasing it in order to gauge whether or not it would be worth my time, and all praised Elvenquest:

By David Keith I'm a big fan of BBC Radio 4's full cast audio dramas. Unfortunately, I rarely seem able to carve out listening time, as books and TV are my main sources of entertainment. I'm very happy to have stumbled upon this lively series. Basically it's the comedic epic fantasy version of Doug Adams' HITCHHIKER'S GUIDE TO THE GALAXY series, with a hefty dash of Terry Pratchett mixed in. It's a second world adventure played for laughs and it succeeds admirably. This is a collection of five 30 min. episodes. Apparently a success in the UK as there exists 3 more series, but I've yet to hear them. SF/F fans take note: you will not find better genre audio drama offerings elsewhere. Pounce on this immediately and tell all your friends.

Stephen Mangan, Alistair McGowan and Sophie Winkleman star in this fantastical BBC Radio 4 comedy by Anil Gupta and Richard Pinto. Sam (Stephen Mangan - "Green Wing") is a fantasy novelist who is whisked off to a Tolkien-style parallel universe by a noble elf, a sexy warrior princess (Sophie Winkleman - "Peep Show", "Red Dwarf") and a feisty dwarf called Dean. Why? Because Sam's dog is the Chosen One who is destined to save 'Lower Earth' from the evil Lord Darkness (Alistair McGowan - "Alistair McGowan's Big Impression"). For fans of "The Hitchhiker's Guide to the Galaxy", "The Lord of the Rings" and "Hordes of the Things", this is an epic story of adventure, kinship,

romance and dog biscuits. ElvenQuest also stars Darren Boyd ("Saxondale", "Smack the Pony") as Vidar the Elf Lord, Kevin Eldon ("Hyperdrive", "Big Train") as Dean the Dwarf and Dave Lamb ("Moving Wallpaper") as Amis. Written by Richard Pinto ("The Armstrong" "Miller Show") and Anil Gupta ("The Office"), this recording contains all six episodes of the original BBC Radio 4 series. 'Even the most dedicated Tolkein fan will laugh' - "Daily Express". 'It's so much fun you'll wish you'd joined the Dungeons Dragons society after all' - "Radio Times".
