people found the following review helpful. A good read
By Matthew
The book starts off strong. Gets a little long
winded at the end but still well worth the investment of your time. One for the gambler for sure.

By Song-ho
A superb autobiography of a fascinating man with a fascinating profession.

The sensational inside story of how the UK's most feared professional punter overcame adversity to take the bookmakers for more than 10 million in an eight-year period. This book offers a brutal, often controversial, but utterly fascinating insight into Patrick Veitch's life of punting. Told in Veitch's own candid ice-cool style, with an intelligent wit throughout, this is quite simply a compelling read.

About the Author
Patrick Veitch started out as a punter and became the market leader in racing advisory services. He now runs his own racing operation, and is a major race horse owner, winning twice at Royal Ascot.
