Ever hear a joke and think to yourself, Good one! Ill have to remember that? Well this book is filled with good ones!

Jokes you can tell your kids or jokes you probably wouldn't tell your kids but would want to share with your friends or co-workers. Jokes really worth remembering. This book has taken over five years to put together and more jokes have been thrown out than actually kept. Each joke has been screened and evaluated by a group of individuals who have thrown out the really bad ones and kept the ones worth repeating. There are over 200 really great jokes contained in this book, jokes that have been found at social gatherings, parties, work or over the internet. Each joke has been rated Good, PG-13 or Restricted, so that you may go directly to the type of joke you want to see or use. If you enjoy hearing or telling a good joke you will want to read this book and will want to keep it handy for all those times you could really use a good one!
