Paolo D'Agostini : Legendary Movies before purchasing it in order to gage whether or not it would be worth my time, and all praised Legendary Movies:

0 of 0 people found the following review helpful. Awesome!By atruzThe cover on this book is awesome! The contents are beautifully presented and very readable. My order was processed immediately, and I received the book well within the promised timeframe.0 of 0 people found the following review helpful. This is a great book! Has a lot of great pictures and ...By KristinThis is a great book! Has a lot of great pictures and good movies listed0 of 1 people found the following review helpful. Decent book but some odd choicesBy StevenSome of the odd inclusions like 12 pages on the Lord of the Rings or Batman Returns. Many significant films like War of the Worlds, To Kill a Mockingbird aren't present. Still a decent book. Also book loses a star for it's inclusion of full frontal nudity with Clockwork Orange making this a non-family friendly book as well.

From the silent films of Charlie Chaplin to today's high-tech blockbusters, this superb volumenow updatedchronicles our favorite films through hundreds of vibrant images, insightful text, and an introduction by legendary director Franco Zeffirelli. Organized by era, Legendary Movies delves into every genre and explores the thriving Hollywood

studios of the '30s and '40s, the Bollywood phenomenon, the influence of international filmmakers, and much more. Readers will meet the key players behind the camera, while movie stars through the ages are spotlighted in superb portraits and candid. In addition, an entertaining selection of 130 must-see movies spans the decades, embracing beloved classics as well as eclectic examples of groundbreaking cinema technology and techniques. Reproductions of movie posters, movie stills, and other colorful graphics provide film fans with a wealth of information and hours of enjoyment.

About the Author Journalist and film critic Paolo D'Agostini works for the Italian daily La Repubblica. Over the years he has covered the release of Latin American and Eastern European movies, then focused on Italian cinema. He was president of the National Union of Italian Film Critics, is a member of several Venice Film Festival selection committees, and serves on the commission that chooses the Italian movie for Best Foreign Film consideration at the Oscars, as well as on many other juries. He has taught at the Universit La Sapienza, Rome.
