Sorceress Cagliastro : Leona Returned: a screenplay based on actual experiences before purchasing it in order to gauge whether or not it would be worth my time, and all praised Leona Returned: a screenplay based on actual experiences:

3 of 3 people found the following review helpful. A terrifying and intelligent modern classic By Animus The Idolater Superbly written. The Sorceress Cagliastro is a masterful storyteller who has distilled a truly novel and fascinating tale of betrayal, revenge, and destiny, woven carefully together so it never gets tiresome or repetitive. The

action builds to a perfect crescendo, and the character dialogue never gets wooden or awkward. I also liked the way the story doesn't take itself too seriously, which in my experience usually represents the genuine article. On a more philosophical level, I was fixated by this recurring theme of 'returning' in different contexts; none of which included romantic sparkly vampires, or people in robes drawing triangles on the walls, which was a delightful respite from the usual 4th grade reading level tripe being peddled as modern 'horror'. An honest and motivated film director could easily turn this into a gritty cult phenomenon.. And this story is based on actual events, actual entities, and actual communications in the author's own experiences in the work of Necromancy. Stephanie Meyer and Stephen King can't make that claim. 2 of 2 people found the following review helpful. I loved this book By Cheryl Downey I loved this book, in fact I could not put it down. This book is one that i will read over and over. 0 of 0 people found the following review helpful. Fascinating Story! By Kaell'n Wolfsong This is a very good book, and knowing that it's based on actual events makes it all the more fascinating. It's in screenplay format, but is an easy read, which gets you into the characters, and their situations.

This is a screenplay based on actual experiences.. and is dedicated to incurable relationships, between the living, the dead and Daemons and for some between freedom and doctrine. "It is also dedicated to my home.. please be patient sweet one. I am on my way" This book is based on actual events, actual entities, and actual communications from the process of Necromancy. the story is built upon personal experiences of this author. SORCERESS CAGLIASTRO. A couple at odds about adoption take Leona into their lives. She is adored by the Father and resented by the Mother. A wild connection between the living, the Dead, and an array of angry Daemons with a relentless leader brings the reader down a long a twisted path from the present time, back into a rich Scottish history of Viking lore and back through the powerful Gypsy culture now inhabiting the land. In this script houses have lives richer than their inhabitants, and Death and Time have a twisted relationship.....does anyone get out alive or otherwise....? SORCERESS CAGLIASTRO is the author of more than a dozen books on Blood Sorcery, Necromancy, Daemons and a broadening group of fiction works that are derived from her work amongst these entities. All of those books are available on Amazon, keyword Cagliastro. She is also the creator of Iron Ring The Science of Sorcery. Her work with Sorcery, the Disincarnate and Daemons is broadly studied.
