Leonard Maltin : Leonard Maltin's 2012 Movie Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised Leonard Maltin's 2012 Movie Guide:

27 of 27 people found the following review helpful. Printing Error in 2012 Edition - missing pagesBy David J JohnsonThe 2012 edition of Maltin's Movie Guide has a significant printing error. Nearly 100 pages of "D" and "E" entries are missing.2 of 2 people found the following review helpful. Confident reviews, but....By Great Northern WastelandBuyers who suffer from age/disease induced reading impairment should note that the book text size is

absurdly small. The book is apparently available in several "sizes" - I first encountered the book in a local lending library and it was barely readable. I ordered a copy from believing I would receive the same book that I originally borrowed; the edition was further reduced in size and with commensurate text size reduction. Pretty tough to read without sight aids. Allowing that critics offer opinions that are either in line with or are in opposition to the reader's, Mr Maltin's reviews are generally supportable and spot-on, albeit often too short. Of course, the reader's ego will rule and the reader will gravitate to opinions that parallel his/her own. Mr Maltin covers a tremendous number of films... one can only wish that book would be available in an expanded electronic edition in which the writer would have the latitude to offer greater depth in his summaries. 0 of 0 people found the following review helpful. Five Stars By Betsy Ross Maltin's is always the best.

The perennial New York Times bestseller-now with summer blockbusters included. For more than forty years, generations of movie lovers have relied upon Leonard Maltin to help them decide what to watch. Comprehensive, trustworthy, and the most established guide on the market, Leonard Maltin's 2012 Movie Guide includes: More than 10,000 DVD and 14,000 video listings An updated index of leading performers and an index of leading directors Old and new theatrical and video releases rated **** to BOMB Reviews of little-known sleepers, foreign films, rarities, and camp classics All-new personal recommendations for movie lovers And sources for buying and renting DVDs

About the Author Leonard Maltin is one of the country's most respected film historians and critics. He teaches at the USC School of Cinematic Art. Maltin lives in Los Angeles.
