Detail in black and white and especially the colorized portions of the movie. Gorgeous colors from the movie! A MUST for the serious GWTW collector. Place it on your coffee table in the living room and you will have GREAT conversations about it! Have a GWTW party! lol :-)

1 of 1 people found the following review helpful. Wonderful!By Trina W.This book is fantastic. Lots of pictures and details which were new to me even though as an avid fan of GWTW for years I have read much about the making of this film.Great buy for the price.

Seventy-five years after America fell in love with the cinematic classic *Gone with the Wind*, LIFE revisits the making

of the award-winning movie and gives readers a rare look into the film's captivating, behind-the-scenes drama. This richly illustrated book is a must-have collector's item for old fans and new.

About the Author The editors at LIFE vigorously carry on the traditions of excellence in photography, journalism and storytelling of and about our country and our world, which began with the founding of LIFE magazine in 1936 by editor and publisher Henry R.
