A must read and real tear jerker. 0 of 0 people found the following review helpful. Great book ! By Joni Love the book, I had seen the movie so it was easy to picture the characters. 0 of 0 people found the following review helpful. Excellent Story! By Sheela This is a beautiful

story, but very sad. It shows what a loving father will do for his child. This writer managed to take a horrid true story and portray it in an entertaining, even humorous way, without watering down the weight of the hatred expressed.

This romantic, hilarious, and astonishingly moving story, winner of the Grand Jury prize at the 1998 Cannes Film Festival, explores the power of the imagination, set against the stark reality of World War II Europe. The companion screenplay to the Miramax film presents the profound yet tender story that has touched the hearts of so many.
