American Girl : Lights! Camera! Molly!: A Behind-The-Scenes Movie Guide (American Girl Collection) before purchasing it in order to gage whether or not it would be worth my time, and all praised Lights! Camera! Molly!: A Behind-The-Scenes Movie Guide (American Girl Collection):

Girls will love this behind-the-scenes look at the making of the new Molly movie, premiering in November. The book includes information on the film's actors, director, special effects, costumes, sets, and more! It also features interviews with the cast and photos from the set.
